1883 • 2018

In 1871, the City of Alexandria introduced the Columbia Steam Engine Fire Company. The outfit initially occupied Star Firehouse on the east side of the 100 block of South St. Asaph Street until 1883, when a new station was built for Columbia just across the street at 109 South St. Asaph.

Alexandria's Neighborhood Restaurant Group relaunched this historic and beautifully preserved property as Columbia Firehouse, a sumptuous modern American brasserie and bar located in the heart of Alexandria's Old Town.
